The seller was arrested for selling counterfeit merch:

After the WrestleMania event was over and fans were returning to their cars, we located two men selling the identical shirt in the AT&T stadium parking lots.

One of the sellers was the same Florida man who had been arrested earlier that day for selling the same Counterfeit shirts. The other seller was also from Florida.

- They had approximately 50 shirts in their hands.
- They voluntarily surrendered the shirts.
- They admitted that they had already sold more than 150 shirts that that evening.

Narrative Information

I was at the above location looking for vendors selling counterfeit trademarked items. While in my vehicle I observed the SP selling Black WWE Royal Rumble T-shirts from the sidewalk. The SP was holding up a shirt to display to passing cars and had several other shirts over his shoulder. After spotting myself and Sgt. Castello #3124 approaching him, the SP walked briskly away and was contacted several blocks away. The SP was still in possession of three counterfeit WWE T-shirts. The shirts had the WWE Royal Rumble logo but were printed on "seconds" quality shirts. The SP was selling the shirts for \$10 and was selling them inside the downtown business district against city ordinance. SP was issued misdemeanor citation X1444477 for peddling in the downtown business district and was advised a criminal case of trademark counterfeiting less than \$100 would be filed at large.

Narrative Information

I was working in the area of the Alamo Dome in a unmarked vehicle in plain cloths checking for venders selling merchandise without a permit. While driving by the listed location I noticed SP1 with two t-shirts in his hand and he appeared to be selling them to people that were walking to the Alamo dome. I approached the suspect and identified myself as a police officer and explained it was against a San Antonio city ordinance to be peddling merchandise without a permit. SP1 stated he wasn't going to lie he was selling shirts for 10 dollars each. I asked the actor for identification and he stated he didn't have any. The suspect had a large bulge under his t-shirt in his waist band and I asked him what the bulge was under his shirt and he raised his shirt where he was concealing nine more t-shirts in his waist band. The SP1 had a total of 11 T-shirts which are listed in the property section. These t-shirts were seized from SP1. SP1 was written misdemeanor citation number X1444479 for peddling without a permit. The 11 T-shirts also appeared to be trademark counterfeit t-shirts. They had WW, Royal Rumble and photos of the

Narrative Information

I was at the above location looking for vendors selling counterfeit trademarked items. While in my vehicle I observed the SP selling Black WWE Royal Rumble T-shirts from the sidewalk. The SP was holding up a shirt to display to passing cars and had several other shirts over his shoulder. The SP was in possession of four counterfeit WWE T-shirts. The shirts had the WWE Royal Rumble logo but were printed on "seconds" quality shirts. The SP was selling the shirts for \$10 and was selling them inside the downtown business district against city ordinance. SP was issued misdemeanor citation X1444480 for peddling in the downtown business district and was advised a criminal case of trademark counterfeiting less than \$100 would be filed at large.

February 28, 2017

Advised by WWE Merch Crew that there were approximately two men, independently selling the following shirt. Each had approximately 50 shirts.
